- § 89C-14(a)

Application for licensure as a professional engineer or professional land surveyor shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.
- § 89C-14(b)

An applicant for licensure who is required to take the written examination shall pay to the Board an application fee not to exceed one hundred dollars (\$100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.
- § 89C-14(c)

The certification fee for a corporation is the amount set by the Board but shall not exceed one hundred dollars (\$100.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of licensure of a corporation is the amount set by the Board but shall not exceed seventy-five dollars (\$75.00). The fee for renewal of a certificate of licensure for a business firm is the same as the renewal fee for a corporation.

§ 89C-14(d)

Should the Board deny the issuance of a certificate of licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

§ 89C-14(e)

A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee and documented evidence of actions taken by the candidate to enhance the candidate's prospects for passing the exam. A candidate with a combination of three failures or unexcused absences may only be considered by the Board for reexamination at the end of 12 months following the third failure or unexcused absence. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
