Except as otherwise provided in this Chapter, no person shall engage in the practice of landscape construction or contracting, use the designation "landscape contractor," or advertise using any title or description that implies licensure as a landscape contractor unless the person is licensed as a landscape contractor as provided by this Chapter. All landscape construction or contracting performed by a partnership, association, corporation, firm, or other group shall be performed under an individual who is readily available to exercise supervision over the landscape construction and contracting work and who is licensed by the Board under this Chapter.

- (2) The practice of engineering, as defined in G.S. 89C-3.
- (3) Practice as a well contractor certified under Article 7A of Chapter 87 of the General Statutes.

- (7) The practice of electrical contracting, as defined in G.S. 87-43.

§ 89D-12(c) A landscape contractor licensed under this Chapter is not required to be licensed as a general contractor under Article 1 of Chapter 87 of the General Statutes if the licensed landscape contractor is performing landscape construction or contracting work valued at an amount greater than forty thousand dollars (\$40,000).

§ 89D-12(d) Upon licensure by the Board, each landscape contractor shall obtain a seal of the design authorized by the Board and bearing the name of the licensee, the number of the license, and the legend "N.C. § 89D-12(e) Every landscape contractor issued a license under this Chapter shall display the license conspicuously in the landscape contractor's place of business. Every landscape contractor shall display the license number issued to the contractor by the Board on all business cards, contracts, and vehicles used by the contractor in the landscape contracting business. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
