- § 89G-9(a)

Every license issued under this Chapter shall be renewed on or before December 31 of each year. Any person who desires to continue to practice irrigation contracting or irrigation construction shall apply for license renewal and shall submit the required fees. Licenses that are not renewed shall be automatically revoked. A license may be renewed at any time within one year after its expiration, if: (i) the applicant pays the required renewal fee and late renewal fee; (ii) the Board finds that the applicant has not used the license in a manner inconsistent with the provisions of this Chapter or engaged in the practice of irrigation construction or irrigation contracting after notice of revocation; and (iii) the applicant is otherwise eligible for licensure under the provisions of this Chapter. When necessary, the Board may require a licensee to demonstrate continued competence as a condition of license renewal.
- § 89G-9(b)

As a condition of license renewal, an individual licensee shall meet continuing education requirements set by the Board. Each individual licensee shall complete 10 continuing education units per year.
- § 89G-9(c)

The Board shall suspend an individual licensee's license for 60 days for failure to obtain continuing education units required by subsection (b) of this section. The Board shall suspend a business entity's or a foreign entity's license for 60 days for failure by the individual licensee required under G.S. 89G-6.1(a) to obtain continuing education units required by subsection (b) of this section. Upon completion of the required continuing education and payment of the reinstatement fee, the Board shall reinstate the license. Failure by an individual licensee to meet the education requirements, to request a reinstatement of the license, or to pay the reinstatement fee within the time provided shall result in the revocation of the license. Upon revocation, an individual

shall be required to submit a new application and retake the examination as provided in this Chapter. (2008-177, s. 1; 2013-383, ss. 5, 8.)

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
