§ 90-113.34(a) The Board shall keep a regular record of its proceedings, together with the names of the members of the Board present, the names of the applicants for registration, certification, and licensure as well as other information relevant to its actions. The Board shall cause a record to be kept that shall show the name, last known place of business, last known place of residence, and date and number of the credential assigned to each substance use disorder professional meeting the standards set forth in this Article. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
