§ 90-12.02(a)

The Board may issue a license known as a "military relocation license" to a physician or physician assistant not otherwise actively licensed by the Board who meets all of the following requirements:

- (1) Is a servicemember of the United States Armed Forces or a spouse of a servicemember of the United States Armed Forces.

§ 90-12.02(b)

A military relocation license remains active for the duration of military orders for military service in this State and upon completion of annual registration, which shall include providing documentation of meeting the requirements of subsection (a) of this section. The military relocation license shall become inactive at the time the

license holder relocates pursuant to military orders to reside in another state, when the military orders for military service in this State expire, or when the servicemember separates from military service. The license holder shall notify the Board within 15 days of the issuance of new military orders requiring relocation to another state, within 15 days of the expiration of military orders, or within 15 days of separation from military service. The Board shall retain jurisdiction over the holder of the inactive license.

§ 90-12.02(c) A military relocation license may be converted to a full license by completing an application for full license. The Board shall waive the application fee for converting to a full license if the application is submitted within one year of the issuance of the military relocation license.

§ 90-12.02(d) The Board may, by rule, require an applicant for a military relocation license under this section to comply with other requirements or to submit additional information.-

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
