The Governor and the General Assembly upon the recommendation of the President Pro Tempore of the Senate shall appoint chiropractic members of the Board for terms of three years from a list provided by the Board, and the General Assembly upon the recommendation of the Speaker of the House of Representatives shall appoint a chiropractic member of the Board for a term of two years from a list provided by the Board. Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
