- (12) Conviction of a criminal offense involving cruelty to animals or the act of cruelty to animals.

- (13) Revocation of a license to practice veterinary medicine by another state, territory or district of the United States only if the grounds for revocation in the other jurisdiction would also result in revocation of the practitioner's license in this State.
- (14) Unprofessional conduct as defined in regulations adopted by the Board.
- (15) Conviction of a federal or state criminal offense involving the illegal use, prescription, sale, or handling of controlled substances, other drugs, or medicines.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
