General Statutes of North Carolina, as published by the General Assembly	c. 248, s. 1 — seventh act in the lineage	21 September 2026, 02:51 UTC	1e3c5d75e6b93c1444bfa068 - 375310987213993d1133862c - 597192b3dac11517

§ 90-202.2(a) Podiatry as defined by this Article is the surgical, medical, or mechanical treatment of all ailments of the human foot and ankle, and their related soft tissue structures to the level of the myotendinous junction. Excluded from the definition of podiatry is the amputation of the entire foot, the administration of an anesthetic other than local, and the surgical correction of clubfoot of an infant two years of age or less.

§ 90-202.2(b) Except for procedures for bone spurs and simple soft tissue procedures, any surgery on the ankle or on the soft tissue structures related to the ankle, any amputations, and any surgical correction of clubfoot shall be performed by a podiatrist only in a hospital licensed under Article 5 of Chapter 131E of the General Statutes or in a multispecialty ambulatory surgical facility that is not a licensed office setting, and that is licensed under Part D of Article 6 of Chapter 131E of the General Statutes. Before performing any of the surgeries referred to in this subsection in a multispecialty ambulatory surgical facility, the podiatrist shall have applied for and been granted privileges to perform this surgery in the multispecialty ambulatory surgical facility. The granting of these privileges shall be based upon the same criteria for granting hospital privileges under G.S. 131E-85.

§ 90-202.2(c) The North Carolina Board of Podiatry Examiners shall maintain a list of podiatrists qualified to perform the surgeries listed in subsection (b) of this section, along with specific information on the surgical training successfully completed by each licensee.

PINPOINT

N.C. Gen. Stat. § 90-202.2(a) (1995).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
