Each sponsoring organization that applies for registration under this Article shall pay a one-time registration fee in the amount of fifty dollars (\$50.00), which it shall submit to the Department along with the completed registration form required by subsection (a) of this section. Upon approval by the Department, a sponsoring organization's registration remains valid unless revoked by the Department pursuant to subsection (f) of this section.

**§ 90-21.104(c)** Upon any change in the information required under subsection (a) of this section, the sponsoring organization shall notify the Department of the change, in writing, within 30 days after the effective date of the change.

**§ 90-21.104(d)** Each registered sponsoring organization has the duty and responsibility to do all of the following:

(1) Except as provided in this subdivision, by no later than 14 days before a sponsoring organization initiates voluntary health care services in this State, the sponsoring organization shall submit to the Department a list containing the following information regarding each health care provider who is to provide voluntary health care services on behalf of the sponsoring organization during any part of the time period in which the sponsoring organization is authorized to provide voluntary health care services in the State:

a.Name.

b.Date of birth.

c.State of licensure.

d.License number.

e.Area of practice.

By no later than 3 days prior to voluntary health care services being rendered, a sponsoring organization may amend the list to add health care providers defined in G.S. 90-21.102(3)a. through G.S. 90-21.102(3)l.

(2) Beginning April 1, 2013, submit quarterly reports to the Department identifying all health care providers who engaged in the provision of voluntary health care services in association with the sponsoring organization in this State during the preceding calendar quarter. The quarterly report must include the date, place, and type of voluntary health care services provided by each health care provider.

- (3) Maintain a list of health care providers associated with its provision of voluntary health care services in this State. For each health care provider listed, the sponsoring organization shall maintain a copy of a current license or statement of exemption from licensure or certification. For health care providers currently licensed or certified under this Chapter, the sponsoring organization may maintain a copy of the health care provider's license or certification verification obtained from a State-sponsored website.
- (4) Maintain records of the quarterly reports and records required under this subsection for a period of five years from the date of voluntary service and make these records available upon request to any State licensing board established under this Chapter.

§ 90-21.104(e)

PRIMA FACIE  
EVIDENCE

Compliance with subsections (a) through (d) of this section is prima facie evidence that the sponsoring organization has exercised due care in its selection of health care providers.

§ 90-21.104(f)

The Department may revoke the registration of any sponsoring organization that fails to comply with the requirements of this Article. A sponsoring organization may challenge the Department's decision to revoke its registration by filing a contested case under Article 3 of Chapter 150B of the General Statutes.

§ 90-21.104(g)

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
