In the case of an abortion or an attempt to perform an abortion that results in a child born alive, any health care practitioner present at the time the child is born alive shall do all of the following:

Exercise the same degree of professional skill, care, and diligence to preserve the life and health of the child as a reasonably diligent and conscientious health care practitioner would render to any other child born alive at the same gestational age.

Following the exercise of skill, care, and diligence required under subdivision (1) of this section, ensure that the child born alive is immediately transported and admitted to a hospital. (2023-14, s. 3(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
