- § 90-21.56(a)

Except as provided in G.S. 90-21.52(b), an insured or enrollee who has been found to have been harmed by the managed care entity pursuant to an action brought under this Article may recover actual or nominal damages and, subject to the provisions and limitations of Chapter 1D of the General Statutes, punitive damages.
- § 90-21.56(b)

This Article does not limit a plaintiff from pursuing any other remedy existing under the law or seeking any other relief that may be available outside of the cause of action and relief provided under this Article.
- § 90-21.56(c)

The rights conferred under this Article as well as any rights conferred by the Constitution of North Carolina or the Constitution of the United States may not be waived, deferred, or lost pursuant to any contract between the insured or enrollee and the managed care entity that relates to a dispute involving a health care decision. Arbitration or mediation may be used to settle the controversy if, after the controversy arises, the insured or enrollee, or the estate of the insured or enrollee, voluntarily and knowingly consents in writing to use arbitration or mediation to settle the controversy. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
