§ 90-210.62(a) A preneed licensee may offer standard preneed funeral contracts and inflation-proof preneed funeral contracts. A standard preneed funeral contract applies the trust funds or insurance proceeds to the purchase price of funeral services and merchandise at the time of death of the contract beneficiary without protection against potential future price increases. An inflation-proof contract establishes an agreement between the preneed licensee and the purchaser for funeral services and merchandise without regard to potential future price increases. Upon written disclosure to the purchaser of a preneed funeral contract, inflation-proof contracts may permit the preneed licensee to retain all of the preneed funeral contract trust funds on deposit, and all insurance proceeds, even those in excess of the retail cost of goods and services provided, when the preneed licensee has fully performed the preneed funeral contract. Preneed funeral contracts may be revocable or irrevocable, at the option of the preneed funeral contract purchaser.

§ 90-210.62(b) The Board may prescribe forms for preneed funeral contracts consistent with this Article. All contracts must be in writing on forms prescribed by the Board. Any use or attempted use of any oral preneed funeral contract or any written contract in a form not prescribed by the Board shall be deemed a violation of this Article. The preneed funeral contract purchaser may specify in writing religious practices that conflict with this Article or Article 13A or 13F of this Chapter. The preneed licensee shall observe those religious practices except where they interfere with cremation in a licensed crematory as specified under G.S. 90-210.123 or the required documentation and record keeping. (1991 (Reg. Sess., 1992), c. 901, s. 2; 2007-531, s. 8; 2025-76, s. 4.3.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
