This Compact is designed to achieve the following purposes and objectives:

Increase public access to professional psychological services by allowing for telepsychological practice across state lines as well as temporary in-person, face-to-face services into a state which the psychologist is not licensed to practice psychology.

Enhance the states' ability to protect the public's health and safety, especially client/patient safety.

Encourage the cooperation of Compact States in the areas of psychology licensure and regulation.

Facilitate the exchange of information between Compact States regarding psychologist licensure, adverse actions, and disciplinary history.

Promote compliance with the laws governing psychological practice in each Compact State.

Invest all Compact States with the authority to hold licensed psychologists accountable through the mutual recognition of Compact State licenses. (2020-82, s. 1(b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
