General Statutes of North Carolina, as published by the General Assembly	S.L. 2026-16, s. 2 — tenth act in the lineage	21 September 2026, 05:11 UTC	4d24e5fee208ea7766ef7309 - 22905ee1475e508dba9ee1ca - 21a9cb4d7f7a5359

The North Carolina Board of Physical Therapy Examiners is hereby created. The Board shall consist of eight members, including one medical doctor licensed and residing in North Carolina, four physical therapists, two physical therapist assistants, and one public member. The public member shall be appointed by the Governor and shall be a person who is not licensed under Chapter 90 who shall represent the interest of the public at large. The medical doctor, physical therapists, and physical therapists assistants shall be appointed by the Governor from a list compiled by the North Carolina Physical Therapy Association, Inc., following the use of a nomination procedure made available to all physical therapists and physical therapist assistants licensed and residing in North Carolina. In soliciting nominations and compiling its list, the Association will give consideration to geographic distribution, practice setting (institution, independent, academic, etc.), and other factors that will promote representation of all aspects of physical therapy practice on the Board. The records of the operation of the nomination procedure shall be filed with the Board, to be available for a period of six months following nomination, for reasonable inspection by any licensed practitioner. Each physical therapist member of the Board shall be licensed and reside in this State; provided that the physical therapist shall have not less than three years' experience as a physical therapist immediately preceding appointment and shall be actively engaged in the practice of physical therapy in North Carolina during incumbency. Each physical therapist assistant member shall be licensed and reside in this State; provided that the physical therapist assistant shall have not less than three years' experience as a physical therapist assistant immediately preceding appointment and shall be actively engaged in practice as a physical therapist assistant in North Carolina during incumbency.

Members shall be appointed to serve three-year terms, or until their successors are appointed, to commence on January 1 in respective years. In the event that a member of the Board for any reason shall become ineligible to or cannot complete a term of office, another appointment shall be made by the Governor, in

accordance with the procedure stated above, to fill the remainder of the term. No member may serve for more than two successive three-year terms.

The Board may immediately remove a member from the Board if the member is found by the remainder of the Board to have (i) ceased to meet the qualifications specified in this section, (ii) failed to attend three successive Board meetings without just cause, (iii) violated any of the provisions of this Article or rules adopted by the Board, or (iv) otherwise engaged in immoral, dishonorable, unprofessional, or unethical conduct. Before removing a Board member for immoral, dishonorable, unprofessional, or unethical conduct, the Board shall further find that the relevant conduct has compromised the integrity of the Board.

The Board each year shall designate one of its physical therapist members as chairman and one member as secretary-treasurer. Each member of the Board shall receive such per diem compensation and reimbursement for travel and subsistence as shall be set for licensing boards generally. (1951, c. 1131, s. 2; 1969, c. 445, s. 7; c. 556; 1979, c. 487; 1981, c. 765, s. 1; 1981 (Reg. Sess., 1982), c. 1191, s. 82; 1985, c. 701, s. 1; 2013-312, s. 1; 2017-28, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
