The Board shall have authority to issue licenses to qualified persons as nursing home administrators, and shall establish qualification criteria for such nursing home administrators.

- b. Has successfully completed the equivalent of two years of college level study (60 semester hours or 96 quarter hours) from an accredited community college, college or university prior to application for licensure;

Repealed by Session Laws 1981, c. 722, s. 6.

A temporary license may be issued under requirements and conditions prescribed by the Board to any person to act or serve as administrator of a nursing home without meeting the requirements for full licensure, but only when there are unusual circumstances preventing compliance with the procedures for licensing elsewhere provided by this Article. The temporary license shall be issued by the chairman only for the period prior to the next meeting of the Board, at which time the Board may renew such temporary license for a further period only up to one year.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
