General Statutes of North Carolina, as published by the General Assembly	S.L. 2023-129, s. 12.1(e) — sixth act in the lineage	21 September 2026, 03:33 UTC	bda6179d1c3e6ea01b0e363c - f990d092cbea1a6be4dc92f2 - a0940689f5c388d6

- § 90-295(a) To be eligible for permanent licensure by the Board as a speech and language pathologist, the applicant must:
- (1) Possess at least a master's degree in speech and language pathology or qualifications deemed equivalent by the Board under rules duly adopted by the Board under this Article. The degree or equivalent qualifications shall be from an accredited institution.
 - (2) Submit transcripts from one or more accredited colleges or universities presenting evidence of the completion of 75 semester hours constituting a well-integrated program of course study dealing with the normal aspects of human communication, development thereof, disorders thereof, and clinical techniques for evaluation and management of such disorders.
 - a.Fifteen of these 75 semester hours must be obtained in courses that provide information that pertains to normal development and use of speech, language and hearing.
 - b.Thirty-six of these 75 semester hours must be in courses that provide information relative to communication disorders and information about and training in evaluation and management of speech, language, and hearing disorders. At least 24 of these 30 semester hours must be in courses in speech and language pathology.

c.Credit for study of information pertaining to related fields that augment the work of the clinical practitioner of speech and language pathology or audiology may also apply toward the total 75 semester hours.

d.Thirty-six of the total 75 semester hours that are required for a license must be in courses that are acceptable toward a graduate degree by the college or university at which they are taken. Moreover, 21 of those semester hours must be in graduate level courses in speech and language pathology.

- (3) Submit evidence of the completion of a minimum of 400 clock hours of supervised, direct clinical experience with individuals who present a variety of communication disorders. This experience must have been obtained within the training institution or in one of its cooperating programs. Each new applicant must submit a verified clinical clock hour summary sheet signed by the clinic or program director, in addition to completion of the license application.
- (4) Present written evidence of nine months of full-time professional experience in which clinical work has been accomplished in speech and language pathology. The professional work must have been supervised by a speech and language pathologist who is State-licensed or certified by the American Speech-Language-Hearing Association. This experience must follow the completion of the requirements listed in subdivisions (1), (2) and (3). Full time is defined as at least nine months in a calendar year and a minimum of 30 hours per week. Half time is defined as at least 18 months in two calendar years and a minimum of 20 hours per week. The supervision must be performed by a person who holds a valid license under this Article, or certificate of clinical competence from the American Speech-Language-Hearing Association, in speech and language pathology.
- (5) Pass an examination established or approved by the Board.
- (6) Exercise good moral conduct as defined in rules adopted by the Board or in a code of moral conduct adopted by the Board.

§ 90-295(b)

To be eligible for permanent licensure by the Board as an audiologist, the applicant must:

- (1) Possess a doctoral degree in audiology or qualifications deemed equivalent by the Board under rules duly adopted by the Board under this Article. The degree or equivalent qualifications shall be from an accredited institution.

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.
