- § 90-349.5(a)

A licensed professional counselor may hold a home state license, which allows for a privilege to practice in other member states, in only one member state at a time.
- § 90-349.5(b)

If a licensed professional counselor changes primary state of residence by moving between two member states, the licensed professional counselor shall do all of the following:

(1)

File an application for obtaining a new home state license by virtue of a privilege to practice.

(2)

Pay all applicable fees.

(3)

Notify the current and new home state in accordance with applicable rules adopted by the Commission.
- § 90-349.5(c)

Upon receipt of an application for obtaining a new home state license by virtue of privilege to practice, the new home state shall verify that the licensed professional counselor meets the pertinent criteria outlined in G.S. 90-349.4 via the data system, without need for primary source verification, except for the following:

(1)

A Federal Bureau of Investigation fingerprint-based criminal background check, if not previously performed or updated, pursuant to applicable rules adopted by the Commission in accordance with P.L. 92-544.

(2)

Other criminal background checks, as required by the new home state.

(3) Completion of any requisite jurisprudence requirements of the new home state.

§ 90-349.5(d) The former home state shall convert the former home state license into a privilege to practice once the new home state has activated the new home state license in accordance with applicable rules adopted by the Commission.

§ 90-349.5(e) Notwithstanding any other provision of this Compact, if the licensed professional counselor cannot meet the criteria in G.S. 90-349.4, the new home state may apply its requirements for issuing a new single-state license.

§ 90-349.5(f) The licensed professional counselor shall pay all applicable fees to the new home state in order to be issued a new home state license.

§ 90-349.5(g) If a licensed professional counselor changes primary state of residence by moving from a member state to a nonmember state, or from a nonmember state to a member state, the state criteria shall apply for issuance of a single-state license in the new state.

§ 90-349.5(h) Nothing in this Compact shall interfere with a licensee's ability to hold a single-state license in multiple states; however, for the purposes of this Compact, a licensee shall have only one home state license.

§ 90-349.5(i) Nothing in this Compact shall affect the requirements established by a member state for the issuance of a single-state license. (2022-52, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
