§ 90A-47.3(a) The Commission shall develop and administer a certification program for animal waste management system operators in charge that provides for receipt of applications, training and examination of applicants, and investigation of the qualifications of applicants.

§ 90A-47.3(b) The Commission, in cooperation with the Division of Water Resources of the Department of Environmental Quality, and the Cooperative Extension Service, shall develop and administer a training program for animal waste management system operators in charge. An applicant for initial certification shall complete 10 hours of classroom instruction prior to taking the examination. In order to remain certified, an animal waste management system operator in charge shall complete six hours of approved additional training during each three-year period following initial certification. A certified animal waste management system operator in charge who fails to complete approved additional training within 30 days of the end of the three-year period shall take and pass the examination for certification in order to renew the certificate. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
