Establishment. - The Compact member states hereby create and establish a joint government agency whose membership consists of all member states that have enacted the Compact known as the Social Work Licensure Compact Commission. The Commission is an instrumentality of the Compact states acting jointly and not an instrumentality of any one state. The Commission shall come into existence on or after the effective date of the Compact as set forth in this Article.

## § 90B-29(b)

Membership; Voting; Meetings. - Each member state shall have and be limited to one delegate selected by that member state's licensing authority. The Commission may recommend removal or suspension of any delegate from office. The member state licensing authority shall fill any vacancy occurring in the Commission within 60 days of the vacancy. Each delegate shall be entitled to one vote on all matters before the Commission requiring a vote by Commission delegates.

A delegate shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for delegates to meet by telecommunication, video conference, or other means of communication. The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

The Commission may meet by telecommunication, video conference, or other similar electronic means.

**§ 90B-29(e)**

Meetings of the Commission. - All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rulemaking provisions in G.S. 90B-31. The Commission may hold a special meeting when it must meet to conduct emergency business by giving 48 hours' notice to all commissioners, on the Commission's website, and other means as provided in the Commission's rules.

The Commission's legal counsel shall certify that the Commission's need to meet qualifies as an emergency. The Commission or the Executive Committee or other committees of the Commission may convene in a closed, nonpublic meeting if the Commission or Executive Committee or other committees of the Commission must receive legal advice or discuss any of the following:

- (1) Noncompliance of a member state with its obligations under the Compact.
- (2) The employment, compensation, discipline, or other matters, practices, or procedures related to specific employees or other matters related to the Commission's internal personnel practices and procedures.
- (3) Current, threatened, or reasonably anticipated litigation.
- (4) Negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate.
- (5) Accusation of any person of a crime or formally censuring any person.
- (6) Disclosure of trade secrets or commercial or financial information that is privileged or confidential.
- (7) Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy.
- (8) Disclosure of investigative records compiled for law enforcement purposes.
- (9) Disclosure of information related to any investigative reports prepared by or on behalf of or for use of the Commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the Compact.
- (10) Matters specifically exempted from disclosure by federal or member state statute.
- (11) Current or threatened discipline of a licensee by the Commission or by a member state's licensing authority.
- (12) Other matters as promulgated by the Commission by rule.

If a meeting, or portion of a meeting, is closed pursuant to this provision, the Commission's presiding officer shall state that the meeting will be closed and shall reference each relevant exempting provision, and such reference shall be recorded in the minutes. The Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views

expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Commission or order of a court of competent jurisdiction.

**§ 90B-29(f)**

**Financing of the Commission.** - The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities. The Commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.

The Commission may levy on and collect an annual assessment from each member state and impose fees on other licensees of member states to whom it grants a multistate license to cover the cost of the operations and activities of the Commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved by the Commission each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Commission, which shall be promulgated by rule. The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any of the member states, except by and with the authority of the member state.

The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Commission.

**§ 90B-29(g)****AFFIRMATIVE  
DEFENSE**

**Qualified Immunity; Defense; Indemnification.** - The members, officers, executive director, employees, and representatives of the Commission shall be immune from suit and liability, both personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type

by the Commission shall not in any way compromise or limit the immunity granted hereunder.

The Commission shall defend any member, officer, executive director, employee, or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

The Commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the member states or by the Commission. (2025-7, s. 2.)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
