§ 93A-4(a) Any person, partnership, corporation, limited liability company, association, or other business entity hereafter desiring to enter into business of and obtain a license as a real estate broker shall make written application for such license to the Commission in the form and manner prescribed by the Commission. Each applicant for a license as a real estate broker shall be at least 18 years of age. Each applicant for a license as a real estate broker shall, within three years preceding the date the application is made, have satisfactorily completed, through a real estate education provider certified by the Commission, an education program consisting of at least 75 hours of instruction in subjects determined by the Commission, or shall possess real estate education or experience in real estate transactions which the Commission shall find equivalent to the education program. Each applicant for a license as a real estate broker shall be required to pay a fee. The application fee shall be one hundred dollars (\$100.00) unless the Commission sets the fee at a higher amount by rule; however, the Commission shall not set a fee that exceeds one hundred twenty dollars (\$120.00). The application fee shall not increase by more than five dollars (\$5.00) during a 12-month period.

§ 93A-4(a1) Each person who is issued a real estate broker license on or after April 1, 2006, shall initially be classified as a provisional broker and shall, within 18 months following initial licensure, satisfactorily complete, through a real estate education provider

certified by the Commission, a postlicensing education program consisting of 90 hours of instruction in subjects determined by the Commission or shall possess real estate education or experience in real estate transactions which the Commission shall find equivalent to the education program. The Commission may, by rule, establish a schedule for completion of the prescribed postlicensing education that requires provisional brokers to complete portions of the 90-hour postlicensing education program in less than 18 months, and provisional brokers must comply with this schedule in order to be entitled to actively engage in real estate brokerage. Upon completion of the postlicensing education program, the provisional status of the broker's license shall be terminated. When a provisional broker fails to complete all 90 hours of required postlicensing education within 18 months following initial licensure, the broker's license shall be placed on inactive status. The broker's license shall not be returned to active status until he or she has satisfied such requirements as the Commission may by rule require. Every license cancelled after April 1, 2009, because the licensee failed to complete postlicensing education shall be reinstated on inactive status until such time as the licensee satisfies the requirements for returning to active status as the Commission may by rule require.

§ 93A-4(a2)

A certified real estate education provider shall pay a fee of ten dollars (\$10.00) per licensee to the Commission for each licensee completing a postlicensing education course conducted by the school, provided that these fees shall not be charged to a community college, junior college, college, or university located in this State and accredited by a preferred accrediting agency, as defined in G.S. 115D-21.2 and G.S. 116-11.4, respectively.

§ 93A-4(b)

Except as otherwise provided in this Chapter, any person who submits an application to the Commission in proper manner for a license as real estate broker shall be required to take an examination. The examination may be administered orally, by computer, or by any other method the Commission deems appropriate. The Commission may require the applicant to pay the Commission or a provider contracted by the Commission the actual cost of the examination and its administration. The cost of the examination and its administration shall be in addition to any other fees the applicant is required to pay under subsection (a) of this section. The examination shall determine the applicant's qualifications with due regard to the paramount interests of the public as to the applicant's competency. A person who fails the license examination shall be entitled to know the result and score. A person who passes the exam shall be notified only that the person passed the examination. Whether a person passed or failed the examination shall be a matter of

public record; however, the scores for license examinations shall not be considered public records. Nothing in this subsection shall limit the rights granted to any person under G.S. 93B-8.

An applicant for licensure under this Chapter shall satisfy the Commission that he or she possesses the competency, honesty, truthfulness, integrity, good moral character, and general fitness, including mental and emotional fitness, necessary to protect the public interest and promote public confidence in the real estate brokerage business. The Commission may investigate the moral character and fitness, including the mental and emotional fitness, of each applicant for licensure as the applicant's character and fitness may generally relate to the real estate brokerage business, the public interest, and the public's confidence in the real estate brokerage business. The Commission may also require an applicant to provide the Commission with a criminal record report. All applicants shall obtain criminal record reports from one or more reporting services designated by the Commission to provide criminal record reports. Applicants are required to pay the designated reporting service for the cost of these reports. Criminal record reports, credit reports, and reports relating to an applicant's mental and emotional fitness obtained in connection with the application process shall not be considered public records under Chapter 132 of the General Statutes. If the results of any required competency examination and investigation of the applicant's moral character and fitness shall be satisfactory to the Commission, then the Commission shall issue to the applicant a license, authorizing the applicant to act as a real estate broker in the State of North Carolina, upon the payment of any privilege taxes required by law.

Notwithstanding G.S. 150B-38(c), in a contested case commenced upon the request of a party applying for licensure regarding the question of the moral character or fitness of the applicant, if notice has been reasonably attempted, but cannot be given to the applicant personally or by certified mail in accordance with G.S. 150B-38(c), the notice of hearing shall be deemed given to the applicant when a copy of the notice is deposited in an official depository of the United States Postal Service addressed to the applicant at the latest mailing address provided by the applicant to the Commission or by any other means reasonably designed to achieve actual notice to the applicant.

§ 93A-4(b1)

The Department of Public Safety may provide a criminal record check to the Commission for a person who has applied for a license through the Commission. The Commission shall provide to the Department of Public Safety, along with the request, the fingerprints of the applicant, any additional information required by the Department of Public Safety, and a form signed by the applicant consenting to the

check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Commission shall keep all information pursuant to this subsection privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Public Safety may charge each applicant a fee for conducting the checks of criminal history records authorized by this subsection.

§ 93A-4(b2)

Records, papers, and other documentation containing personal information collected or compiled by the Commission in connection with an application for examination, licensure, certification, or renewal or reinstatement, or the subsequent update of information shall not be considered public records within the meaning of Chapter 132 of the General Statutes unless admitted into evidence in a hearing held by the Commission.

§ 93A-4(c)

All licenses issued by the Commission under the provisions of this Chapter shall expire on the 30th day of June following issuance or on any other date that the Commission may determine and shall become invalid after that date unless reinstated. A license may be renewed 45 days prior to the expiration date by filing an application with and paying to the Executive Director of the Commission the license renewal fee. The license renewal fee shall be forty-five dollars (\$45.00) unless the Commission sets the fee at a higher amount by rule; however, the Commission shall not set the license renewal fee at an amount that exceeds sixty dollars (\$60.00). The license renewal fee may not increase by more than five dollars (\$5.00) during a 12-month period. The Commission may adopt rules establishing a system of license renewal in which the licenses expire annually with varying expiration dates. These rules shall provide for prorating the annual fee to cover the initial renewal period so that no licensee shall be charged an amount greater than the annual fee for any 12-month period. The fee for reinstatement of an expired, revoked, or suspended license shall be an amount equal to two times the license renewal fee at the time the application for reinstatement is submitted. In the event a licensee fails to obtain a reinstatement of such license within six months after the expiration date thereof, the Commission may, in its discretion, consider such person as not having been previously licensed, and thereby subject to the provisions of this Chapter relating to the issuance of an original license, including

the examination requirements set forth herein. Duplicate licenses may be issued by the Commission upon payment of a fee of five dollars (\$5.00) by the licensee. Commission certification of a licensee's license history shall be made only after the payment of a fee of ten dollars (\$10.00).

§ 93A-4(d)

The Commission is expressly vested with the power and authority to make and enforce any and all reasonable rules and regulations connected with license application, examination, renewal, and reinstatement as shall be deemed necessary to administer and enforce the provisions of this Chapter. The Commission is further authorized to adopt reasonable rules and regulations necessary for the certification of real estate education providers, instructors, and textbooks and rules that prescribe specific requirements pertaining to instruction, administration, and content of required education courses and programs.

§ 93A-4(e)

Nothing contained in this Chapter shall be construed as giving any authority to the Commission nor any licensee of the Commission as authorizing any licensee to engage in the practice of law or to render any legal service as specifically set out in G.S. 84-2.1 or any other legal service not specifically referred to in said section.
