§ 93B-16(a) An occupational licensing board may purchase commercial insurance of any kind to cover all risks or potential liability of the board, its members, officers, employees, and agents, including the board's liability under Articles 31 and 31A of Chapter 143 of the General Statutes.

§ 93B-16(b) Occupational licensing boards shall be deemed State agencies for purposes of Articles 31 and 31A of Chapter 143 of the General Statutes, and board members and employees of occupational licensing boards shall be considered State employees for purposes of Articles 31 and 31A of Chapter 143 of the General Statutes. To the extent an occupational licensing board purchases commercial liability insurance coverage in excess of one hundred fifty thousand dollars (\$150,000) per claim for liability arising under Article 31 or 31A of Chapter 143 of the General Statutes, the provisions of G.S. 143-299.4 shall not apply. To the extent that an occupational licensing board purchases commercial insurance coverage for liability arising under Article 31 or 31A of Chapter 143 of the General Statutes, the provisions of G.S. 143-300.6(c) shall not apply.

§ 93B-16(c) The purchase of insurance by an occupational licensing board under this section shall not be construed to waive sovereign immunity or any other defense available to the board, its members, officers, employees, or agents in an action or contested matter in any court, agency, or tribunal. The purchase of insurance by an occupational licensing board shall not be construed to alter or expand the limitations on claims or payments established in G.S. 143-299.2 or limit the right of board members, officers, employees, or agents to defense by the State as provided by G.S. 143-300.3. (2002-168, s. 1.)

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
