- § 95-110.7(a)

No person shall operate or permit to be operated or use any device or equipment subject to the provisions of this Article without a valid certificate of operation unless the absence of a valid certificate is the result of the Commissioner's failure to inspect such device.
- § 95-110.7(b)

No person shall operate or permit to be operated or use any device or equipment subject to the provisions of this Article otherwise than in accordance with this Article and the rules and regulations promulgated thereunder.
- § 95-110.7(c)

No person shall operate or permit to be operated or use any device or equipment subject to the provisions of this Article after the Commissioner has refused to issue or has revoked the certificate of operation for such device or equipment. (1985 (Reg. Sess., 1986), c. 990, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
