If the Department of Labor of North Carolina determines that housing provided to migrants under this Article is uninhabitable, but is not reasonably expected to cause death or serious physical harm, the migrants shall be allowed to remain in the housing for a reasonable period, not to exceed 14 days, while the operator locates alternative housing or makes necessary repairs to make the housing habitable. No additional civil penalties arising from the condition of the housing shall be levied against the operator during the 14-day period after the housing has been determined to be uninhabitable in which the migrants are allowed to remain in the housing. The alternative housing shall be provided at the same rate or less than the rate paid by the migrants for the uninhabitable housing. If the Director determines, after recommendation by an inspector, that housing provided to migrants could reasonably be expected to cause death or serious physical harm immediately or before the imminence of such danger can be eliminated, the migrants shall not be allowed to stay in the housing, and alternative housing shall be provided by the operator at the same rate or less than the rate paid by the migrants for the uninhabitable housing. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
