§ 95-25.23C(a)

Findings. - The General Assembly finds that:

- (1) There is an increasing need to protect the educational opportunities of youths under age 18 and to prohibit their employment in jobs and under conditions that are detrimental to their health and well-being.
- (2) Although the statutory protections available for youths under age 18 who are employed in this State are comprehensive, those protections are rendered meaningless without effective enforcement.
- (3) It is in the best interest of the State and its youngest workers to ensure that North Carolina employers are in full compliance with the youth employment laws and regulations enacted under the Wage and Hour Act.

§ 95-25.23C(b)

Intent. - Recognizing that the Department of Labor is the State agency charged with enforcing the Wage and Hour Act as it pertains to youth employment, the General Assembly intends to review the Department's education and enforcement activities on a regular basis in order to identify effective measures for enhancing youth employment protections in this State.

§ 95-25.23C(c)

Report. - No later than February 1 of each year, the Commissioner shall submit a written report to the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources, the Joint Legislative Education Oversight Committee, and the Fiscal Research Division of the General Assembly on the

Department of Labor's investigative, inspection, and enforcement activities under the Wage and Hour Act pertaining to youth employment. Each report submitted pursuant to this subsection shall contain data and information about the calendar year preceding the date on which the last written report was submitted. The report shall include at least all of the following:

- (1) All activities the Department of Labor has sponsored or participated in for the purpose of educating employers about their responsibilities under the Wage and Hour Act.
- (2) The total number of complaints received by the Department of Labor alleging youth employment violations under the Wage and Hour Act, or any regulations issued under the Wage and Hour Act, or both.
- (3) The specific types of youth employment violations alleged and the ages of the youths referenced in the complaints received by the Department of Labor.
- (4) The total number of investigations conducted by the Department of Labor concerning alleged youth employment violations, the length of the investigations, and the number of investigators assigned to conduct the investigations. For purposes of this subdivision, the Commissioner shall provide a separate analysis of (i) investigations initiated by the Department in response to a complaint, (ii) investigations initiated by the Department in the absence of a complaint, and (iii) alleged record-keeping violations pertaining to youth employment.
- (5) The total number of administrative proceedings involving youth employment violations.
- (6) The total number and identity of employers cited for youth employment violations and the industries or occupations that received the greatest and the least number of complaints alleging youth employment violations.
- (7) The total number and dollar amount of civil penalties assessed pursuant to G.S. 95-25.23 and the total number and dollar amount of civil penalties actually collected pursuant to that section. For purposes of this subdivision, the Commissioner shall provide a detailed, itemized list of each civil penalty represented in the total number and dollar amounts reported pursuant to this subdivision and indicate whether each civil penalty is the result of a complaint.

- (8) The total number and dollar amount of civil penalties assessed pursuant to G.S. 95-25.23A and the total number and dollar amount of civil penalties actually collected pursuant to that section. For purposes of this subdivision, the Commissioner shall provide a detailed, itemized list of each civil penalty represented in the total number and dollar amounts reported pursuant to this subdivision and indicate whether each civil penalty is the result of a complaint.
- (9) An explanation of any obstacles that prevented the Department of Labor from enforcing any provision of the Wage and Hour Act as it pertains to youth employment, any recommended changes to the Wage and Hour Act to strengthen the Department of Labor's oversight and enforcement of youth employment laws and regulations in this State, and any other information related to the Department of Labor's enhanced enforcement of the State's youth employment laws and regulations.
- (10) Recommendations about the funding needed by the Department to (i) eliminate any identified obstacles to enforcement of youth employment laws and regulations and (ii) effectively implement any recommended changes.-

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.
