In all cases of total and permanent disability occurring prior to July 1, 1973, weekly compensation payments shall be increased effective July 1, 1977, to an amount computed by multiplying the number of calendar years prior to July 1, 1973, that the case arose by five percent (5%). Payments made by the employer or its insurance carrier by reason of such increase in weekly benefits may be deducted by such employer or insurance carrier from the tax levied on such employer or carrier pursuant to G.S. 105-228.5 or G.S. 97-100. Every employer or insurance carrier claiming such deduction or credit shall verify such claim to the Secretary of Revenue or the Industrial Commission by affidavit or by such other method as may be prescribed by the Secretary of Revenue or the Industrial Commission.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
