§ 97-5.1(a)

REBUTTABLE PRESUMPTION

It shall be a rebuttable presumption under this Chapter that any person who operates, and who has an ownership or leasehold interest in, a passenger motor vehicle that is operated as a taxicab is an independent contractor for the purposes of this Chapter and not an employee as defined in G.S. 97-2. The presumption is not rebutted solely (i) because the operator is required to comply with rules and regulations imposed on taxicabs by the local governmental unit that licenses companies, taxicabs, or operators or (ii) because a taxicab accepts a trip request to be at a specific place at a specific time, but the presumption may be rebutted by application of the common law test for determining employment status.

§ 97-5.1(b)

The following definitions apply in this section:

- (1) Lease. - A contract under which the lessor provides a vehicle to a lessee for consideration.
- (2) Leasehold. - Includes, but is not limited to, a lease for a shift or a longer period.
- (3) Passenger motor vehicle that is operated as a taxicab. - Any vehicle that:

- 2.Is in use under a contract between the operator and a third party to provide specific service to transport designated passengers or to provide errand services to locations selected by the third party. (2013-413, s. 17(a).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
