General Statutes of North Carolina, as published by the General Assembly	c. 521, s. 2 — first act in the lineage	21 September 2026, 05:25 UTC	3de1165cc76c49dc8dee7aa5 - fef623d940bb69e1236db910 - 783e310f020f6460

§ 97-86.1(a)

When any appeal or certification to the Court of Appeals is pending, and it appears to the Commission that any part of the award appealed from is not appealed by the issues raised by such appeal, the Commission may, on action or of its own motion, render a judgment directing compliance with any portion of such award not affected by such appeal; or, if the only issue raised by such appeal is the amount of the average weekly wage, the Commission shall, on motion of the claimant, direct the payment of such portion of the compensation payable under its award as is not in dispute, if any, pending final adjudication of the undisputed portion thereof.

§ 97-86.1(b)

In any claim under the provisions of this Chapter where it is conceded by all parties that the employee's claim is a compensable one and the amount is not disputed and where the only issue is which employer or employers, carrier or carriers are liable, the Commission may, where an appeal from a hearing commissioner or the full Commission is taken by one or more parties, order payment made to the employee pending outcome of the case on appeal. The order of payment shall contain the provision that if the employer or carrier ordered to pay is not ultimately liable for the amount paid, the employer or carrier will be reimbursed by the employer or carrier ultimately held liable.

§ 97-86.1(c)

No payment made pursuant to the provisions of this section shall in any manner operate as an admission of liability or estoppel to deny liability by an employer or carrier.

§ 97-86.1(d) In any claim under the provisions of this Chapter wherein one employer or carrier has made payments to the employee or his dependents pending a final disposition of the claim and it is determined that different or additional employers or carriers are liable, the Commission may order any employers or carriers determined liable to make repayment in full or in part to any employer or carrier which has made payments to the employee or his dependents.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
