An insurer that covers an employee under a health benefit plan as defined in G.S. 58-3-167, a disability income plan, or any other health insurance plan is not a real party in interest and shall not intervene or participate in any proceeding or settlement agreement under this Article to determine whether a claim is compensable under this Article or to seek reimbursement for medical payments under its plan. The insurer that covers an employee under a health benefit plan as defined in G.S. 58-3-167 or any other health insurance plan may seek reimbursement from the employee, employer, or carrier that is liable or responsible for the specific medical charge according to a final adjudication of the claim under this Article or an order of the Commission approving a settlement agreement entered into under this Article for health plan payments for that specific medical charge. Upon the admission or adjudication that a claim is compensable, the party or parties liable shall notify in writing any known health benefit plan covering the employee of the admission or adjudication. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
