The purpose of this Article is to encourage governmental owners or lessees of property to make land available to a governmental entity for skateboarding, inline skating, or freestyle bicycling. It is recognized that governmental owners or lessees of property have failed to make property available for such activities because of the exposure to liability from lawsuits and the prohibitive cost of insurance, if insurance can be obtained for such activities. It is also recognized that risks and dangers are inherent in these activities, which risks and dangers should be assumed by those participating in the activities. (2003-334, s. 1.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
